

## All About Me

By the end of this unit, pupils will be able to...

1. Say “yes” and “no” in French confidently.
2. Greet somebody, ask how they are feeling and respond.
3. Ask somebody’s name and respond.
4. Ask somebody’s age and respond.
5. Ask when somebody’s birthday is and respond.
6. Ask where someone lives and respond.
7. Ask if someone has any brothers or sisters and respond.
8. Ask if someone has any pets and respond.

\*\*\* Additional colours unit at the bottom of the page. \*\*\*

\*\*\* Linguabugs listening cards \*\*\*

\*\*\* Exploiting the pairs cards ideas \*\*\*

### Vocabulary

- Basic vocabulary list
- Animals
- Countries
- Family members
- Months
- Numbers 1-31

### Yes and no

- PowerPoints
  - Yes and no
- Games
  - Kinaesthetic games ideas

### Greetings

- PowerPoints
  - Greetings

NEW FOR 2018!

## SEASONAL/CROSS-CURRICULAR RESOURCES

Regions of France/Spain research activities

Valentine’s Day cards in French, Spanish and English

Mother’s Day cards in French, Spanish and English

International Panda Day resource pack in English

Easter around the world research activities

Father’s Day card in English (French and Spanish version coming soon)

Basic Halloween activities in English (with QR codes)

- Flashcards
  - Greetings
- Worksheets
  - Greetings word search
  - Greetings word search with matching
  - Bonjour Linguabugs worksheet - blank speech bubbles
  - Bonjour Linguabugs worksheet - speech bubbles with hints
  - Greetings - spot the mistake and correct
  - Greetings - spot the mistake, correct and translate
- Games
  - Greetings sentence builder cards
  - Dice - answers to How are you? - image and vocabulary
  - Tarsia - greetings

### Name

- PowerPoints
  - Name
- Worksheets
  - Nom Linguabugs worksheet - blank speech bubbles
  - Nom Linguabugs worksheet - speech bubbles with hints
- Games
  - Name sentence builder cards
- ICT
  - QR codes - French names

### Age

- PowerPoints
  - Age
- Flashcards
  - Numbers 1-10
- Listening
  - Linguabugs 1-10 listening
- Worksheets
  - Age Linguabugs worksheet - blank speech bubbles
  - Age Linguabugs worksheet - speech bubbles with hints
  - Numbers 1-10 matching worksheet
  - Numbers 1-10 multiple choice worksheet
  - Age gap fill - key word
  - Age gap fill - harder

- Age gap fill - harder still (blank)
- Age - spot the mistake and correct
- Age - spot the mistake, correct and translate
- Games
  - Age sentence builder cards
  - Dice - numbers 1-10 - image only
  - Dice - numbers 1-10 - vocabulary
  - Pairs - numbers 1-10 - image and vocabulary (print 2 copies)
  - Pairs - numbers 1-10 - image only (print 2 copies)
  - Pairs - numbers 1-10 - vocabulary only (print 2 copies)
  - Spinners - numbers 1-10
  - Spinners - odd and even numbers 1-10
- ICT
  - QR codes - ages 1-10
  - Rey le Robot - numbers 1-10
  - Kahoot! - numbers 1-10 (in order)
  - Kahoot! - numbers 1-10 (jumbled)
  - Smart - Find the pictures - numbers 1-10 (4 games)
  - Smart - numbers 1-10 matching
  - Smart - J'ai drag and drop - numbers 1-10
  - Smart - J'ai drag and drop - numbers 1-10 - words highlighted
  - Smart - How many sentences can you make? - ages 1-10

## **Birthday**

- PowerPoint
  - Birthday
- Flashcards
  - Numbers 11-31
  - Months
- Listening
  - Linguabugs 11-20 listening
  - Linguabugs 21-31 listening
  - Linguabugs months listening
- Worksheets
  - Birthday Linguabugs worksheet - blank speech bubbles
  - Birthday Linguabugs worksheet - speech bubbles with hints
  - Seasons and months colouring
  - Birthday gap fill - key words
  - Birthday gap fill - harder
  - Birthday gap fill - harder still

- Birthdays - spot the mistake and correct
- Birthdays - spot the mistake, correct and translate
- \* Some French sums and simple counting worksheets are available at the bottom of the Numeracy page \*
- Games
  - Birthday sentence builder cards
  - Tarsia - months
  - Tarsia - numbers 1-18
  - Tarsia - odd and even numbers 1-31 (2 pages)
  - Pairs - numbers 11-31 - image and vocabulary (print 2 copies)
  - Pairs - numbers 11-31 - image only (print 2 copies)
  - Pairs - numbers 11-31 - vocabulary only (print 2 copies)
  - Spinners - months
  - Spinners - numbers 11-20
  - Spinners - numbers 21-30
- ICT
  - Rey le Robot - numbers 1-31
  - Rey le Robot - months
  - Kahoot! - numbers 11-20 (jumbled)
  - Kahoot! - numbers 21-31 (jumbled)
  - Kahoot! - months
  - Smart - Find the pictures - numbers 11-20 (4 games)
  - Smart - Find the pictures - numbers 21-31 (4 games)
  - Smart - months matching
  - Smart - months anagrams
  - Smart - numbers 11-20 matching
  - Smart - numbers 21-31 matching
  - Smart - How many sentences can you make? - birthdays
  - Smart - How many sentences can you make? - birthdays (higher numbers)

### **Where you live**

- PowerPoints
  - Where you live
  - Where you live - more countries and how to say "in"
- Flashcards
  - Country flags
- Listening
  - Linguabugs where you live listening
- Worksheets
  - Where you live Linguabugs worksheet - blank speech bubbles
  - Where you live Linguabugs worksheet - speech bubbles with hints

- First 6 flags colouring
- All 12 flags colouring
- All 12 flags - j'habite colouring
- Where you live gap fill - key word and choose the preposition
- Where you live gap fill - harder
- Where you live gap fill - harder still (blank)
- Games
  - Where you live sentence builder cards
  - Dice - country flags - image only
  - Tarsia - countries
  - Spinners - countries
  - Spinners - countries - images
- ICT
  - Rey le Robot - countries

### **Brothers and sisters**

- PowerPoints
  - Brothers and sisters
  - Family
- Flashcards
  - Family
  - Only child / no brothers or sisters
- Listening
  - Linguabugs family listening
- Worksheets
  - Brothers and sisters Linguabugs worksheet - speech bubbles with hints
  - Brothers and sisters Linguabugs worksheet - blank speech bubbles
  - Family gap fill - key word and choose the article
  - Family gap fill - harder
  - Family gap fill - harder still (blank)
  - Dans ma famille gap fill - key words
  - Dans ma famille gap fill - harder
  - Dans ma famille gap fill - harder still
  - Family - spot the mistake and correct
  - Family - spot the mistake, correct and translate
- Games
  - Family sentence builder cards
  - Pairs - family - image and vocabulary (print 2 copies)
  - Pairs - family - image only (print 2 copies)
  - Pairs - family - vocabulary only (print 2 copies)

- Tarsia - family
- Spinners - family
- Spinners - family - images
- ICT
  - Smart - brothers and sisters matching images
  - Smart - brothers and sisters matching vocabulary
  - Smart - family matching images
  - Smart - family matching vocabulary

## Pets

- PowerPoints
  - Pets
  - Pets - animals
- Flashcards
  - Animals
- Listening
  - Linguabugs pets listening
- Worksheets
  - Pets Linguabugs worksheet - blank speech bubbles
  - Pets Linguabugs worksheet - speech bubbles with hints
  - Animals matching worksheet
  - Animals multiple choice worksheet
  - Pets gap fill - key word and choose the article
  - Pets gap fill - harder
  - Pets gap fill - harder still (blank)
  - Animals - spot the mistake and correct
  - Animals - stop the mistake, correct and translate
- Games
  - Pets sentence builder cards
  - Dice - animals - image only
  - Pairs - animals - image and vocabulary (print 2 copies)
  - Pairs - animals - image only (print 2 copies)
  - Pairs - animals - vocabulary only (print 2 copies)
  - Tarsia - animals
  - Spinners - animals
  - Spinners - animals - images
  - Spinners - animals - plural
- ICT
  - QR codes - animals
  - Rey le Robot - animals

- Smart - Find the pictures - pets - animals (4 games)
- Smart - pets matching images
- Smart - pets matching vocabulary
- Smart - pets - animals matching images
- Smart - pets - animals matching vocabulary

## **Extra**

- Worksheets
  - All about Sophie - reading (answers also in QR code)
  - All about Marie - reading (answers also in QR code)
  - All about Christophe - reading (answers also in QR code)
  - All about ... - gap fill (answers also in QR code)
  - All about Amélie - verbs gap fill
  - All about me - reading and writing
- Blank map of France - large
- Blank maps of France - small
- Colours
  - Vocabulary
  - PowerPoint
  - Flashcards? Laminate some coloured paper :)
  - Linguabugs colours listening
  - Pairs - image and vocabulary (print 2 copies)
  - Pairs - image only (print 2 copies)
  - Pairs - vocabulary only (print 2 copies)
  - Spinners - colours
  - Spinners - colours - images
  - Smart - Find the pictures - colours (4 games)
- Dice - all about me questions
- Animal and name bookmarks (x6)
  - Cat
  - Dog
  - Hamster
  - Guinea pig
  - Bird
  - Fish
  - Mouse
  - Rabbit
  - Snake
  - Spider

# Living Things

## By the end of this unit, pupils will be able to...

1. Identify living and non-living things.
2. Identify and match adult and baby animals.
3. Identify and match animals with their habitat.
4. Understand the life cycle of a frog.
5. Understand the life cycle of a butterfly.
6. Identify parts of a plant and understand its life cycle.

## Vocabulary

- Living and non-living things
- Adult animals, baby animals, habitats
- Life cycle of a frog
- Life cycle of a butterfly
- Parts of a plant and its life cycle

## Living and Non-Living Things

- PowerPoints
  - Living and non-living things
  - "vivant" and "non vivant" cards to be used with PowerPoint
- Flashcards
  - Living and non-living things
- Worksheets
  - Cutting and sticking
    - Table "vivant" and "non vivant"
    - EITHER Images to cut out
    - OR Vocabulary to cut out
- Games
  - Pairs - living and non-living things - vocabulary only (print two copies)
  - Pairs - living and non-living things - image only (print two copies)
  - Pairs - living and non-living things - image and vocabulary (print two copies)

## Adult Animals, Baby Animals and Habitats

- PowerPoints

- Adult and baby animals
- Habitats (starting point for a display)
- Games
  - Pairs - adult and baby animals - image and vocabulary (print two copies)
  - Pairs - adult and baby animals - image only (print two copies)
  - Pairs - adult and baby animals - vocabulary only (print two copies)
  - Match adult to baby animals cards - vocabulary only
  - Small habitat and animals matching cards (could also used for pairs with two copies)
- Display
  - City display photo
  - City animals photos
  - Coast display photo
  - Coast animal photos
  - Desert display photo
  - Desert animal photos
  - Farm display photo
  - Farm animal photos
  - Forest display photo
  - Forest animal photos
  - Ocean display photo
  - Ocean animal photos
  - Polar regions display photo
  - Polar regions animal photos
  - Pond display photo
  - Pond animal photos
  - Rainforest display photo
  - Rainforest animal photos

### **Life Cycle of a Frog**

- PowerPoints
  - Life cycle of a frog
- Activities
  - Lily pad booklet (easily differentiated by task)
  - Make your own lily pad
- Worksheets

- Life cycle of a frog cutting and sticking
- Games
  - Matching cards of the four stages
- Display
  - Display photos with sentences
  - Display photos of the four stages with vocabulary

### **Life Cycle of a Butterfly**

- PowerPoints
  - Life cycle of a butterfly
- Worksheets
  - Life cycle of a butterfly cutting and sticking
  - Life cycle of a butterfly cutting and sticking 2
  - Life cycle of a butterfly - matching worksheets (differentiated)
    - Match and colour four stages
    - Match sentences and colour
    - Write sentences and colour
  - Colouring sheets
    - Eggs
    - Caterpillar
    - Chrysalis
    - Butterfly
- Games
  - Matching cards of the four stages
- Display
  - Display images of the four stages with vocabulary

### **Parts of a Plant and its Life Cycle**

- PowerPoints
  - Parts of a plant and its life cycle
- Worksheets
  - Label and colour parts of the plant worksheet
  - Label, draw and colour parts of the plant worksheet
- Games

- Matching cards in colour of the parts of the plant with vocabulary
  - Matching cards in colour of the life cycle of a plant with sentences
- Display
  - Display images of the parts of the plant with vocabulary
  - Display images of the life cycle of a plant with sentences

# Healthy Eating

**By the end of this unit, pupils will be able to...**

1. Identify food vocabulary.
2. Express preferences, likes and dislikes.
3. Sort foods into healthy and unhealthy choices.
4. Use quantities and expressions in markets and cafés.

## Vocabulary

- Fruit and veg (\* note "tomato" appears on the veg list)
- Food
- Drinks
- Express preferences, likes and dislikes
- Healthy and unhealthy choices
- Market role play with sample dialogue
- Café role play with sample dialogue

## Food and Drink

- PowerPoints
  - Fruit
  - Veg
  - Food
  - Drinks
- Worksheets
  - Fruit matching worksheet
  - Fruit multiple choice worksheet
  - Veg matching worksheet
  - Veg multiple choice worksheet
  - Food matching - draw lines or write words worksheet
  - Drinks matching worksheet
  - Drinks multiple choice worksheet
- Games
  - Dice - fruit and veg - image only
  - Dice - fruit and veg - vocabulary
  - Dice - food - image only
  - Dice - food - vocabulary
  - Dice - drinks - image only

- Dice - drinks - vocabulary
- Pairs - fruit - image and vocabulary (print 2 copies)
- Pairs - fruit - image only (print 2 copies)
- Pairs - fruit - vocabulary only (print 2 copies)
- Pairs - veg - image and vocabulary (print 2 copies)
- Pairs - veg - image only (print 2 copies)
- Pairs - veg - vocabulary only (print 2 copies)
- Pairs - food - image and vocabulary (print 2 copies)
- Pairs - food - image only (print 2 copies)
- Pairs - food - vocabulary only (print 2 copies)
- Pairs - drinks - image and vocabulary (print 2 copies)
- Pairs - drinks - image only (print 2 copies)
- Pairs - drinks - vocabulary only (print 2 copies)
- Tarsia - fruit and veg
- Tarsia - fruit
- Tarsia - veg
- Tarsia - food
- Tarsia - drinks
- ICT
  - Rey le Robot - fruit and veg
  - Rey le Robot - fruit
  - Rey le Robot - veg
  - Rey le Robot - food
  - Rey le Robot - drinks

### **Preferences, Likes and Dislikes**

- PowerPoints
  - Express preferences, likes and dislikes
- Worksheets
  - Write what you think of these foods (1)
  - Write what you think of these foods (2)
- Games - use these in conjunction with the pairs cards above to say and / or write sentences
  - Pairs - preferences, likes and dislikes - image and vocabulary (print 2 copies)
  - Pairs - preferences, likes and dislikes - image only (print 2 copies)
  - Pairs - preferences, likes and dislikes - vocabulary only (print 2 copies)
- ICT
  - Rey le Robot - preferences, likes and dislikes

## **Healthy and Unhealthy Choices**

- PowerPoints
  - Healthy and unhealthy choices
- Worksheets
  - Cutting and sticking
    - Table "c'est sain" and "c'est pas sain"
    - EITHER Images to cut out
    - OR Vocabulary to cut out
- Games
  - Healthy, unhealthy, eat, drink, avoid cards - use these in conjunction with the pairs cards above to say / write sentences and / or sort foods and drinks
- ICT
  - \* Use any of the food and drink Rey the Robot PowerPoints and ask pupils to say if "c'est sain" or "c'est pas sain".
- Display
  - Example poster 1 in colour
  - Example poster 1 to colour
  - Example poster 2 in colour
  - Example poster 2 to colour
  - Healthy photos x 5
  - Unhealthy photos x 5

## **Market and Café Role Plays**

- PowerPoints
  - Market role plays
  - Café role plays
- Flashcards
  - Basic quantities and packaging
- Games
  - Matching cards for quantities and packaging

## **Extra**

- Simple menus to either be used in the café role plays or as example when pupils are designing their own. Prices vary in difficulty so these could also be used in a numeracy-based lesson.
  - Café Bleu - easiest
  - Café Blanc - harder
  - Café Rouge - hardest

## **Far, Far Away**

**I'm working on my own story! The story is complete, just the pictures to come...**

# Numeracy

**This unit is a little different... pupils will:**

1. Revise questions and answers for class surveys.
2. Practise their talking and listening skills.
3. Collect and record relevant information.
4. Interpret and share data.
5. \* Try out some French sums \* see "Extra"

## Vocabulary

- Survey questions and sample answers
- Sharing data - answering in numbers
- Sharing data - answering in percentages
- Basic operations

## Undertaking surveys

- PowerPoints
  - Revise questions and answers for class surveys

## Collecting and recording information

- Record sheets
  - Age
  - Birthdays
  - Do you like...? - fruits - multiple sheets
  - Do you like...? - vegetables - multiple sheets
  - Favourite fruits
  - Favourite vegetables
  - Favourite drinks
- Blank bar chart sheets
  - Age
  - Birthdays
  - Do you like...? - fruits - multiple sheets
  - Do you like...? - vegetables - multiple sheets
  - Favourite fruits
  - Favourite vegetables

- Favourite drinks

### **Interpreting and sharing data**

- Sharing data - complete the sentences with numbers
  - Age
  - Birthdays
  - Do you like...?
  - Favourite fruits
  - Favourite vegetables
  - Favourite drinks
- Sharing data - complete the sentences with percentages
  - Age
  - Birthdays
  - Do you like...?
  - Favourite fruits
  - Favourite vegetables
  - Favourite drinks

### **Interpreting and sharing data (data provided)**

- Age - table, chart and complete the sentences
- Do you like bananas? - table, chart and complete the sentences
- Favourite drink - table, chart and complete the sentences

### **Extra**

- Basic differentiated numeracy worksheets with answers
  - Addition 1-12
  - Addition 1-20
  - Addition 1-31
  - Subtraction 1-12
  - Subtraction 1-20
  - Subtraction 1-31
- Draw the apples on the tree worksheets
  - Read the figures
  - Read the numbers

# Art and Modern Languages

To be used in conjunction with an art unit on "The Impressionists".

By the end of this unit, pupils will be able to...

1. Understand key facts about Claude Monet.
2. Talk about colours, shapes and features.
3. Justify their likes, dislikes and preferences.
4. Write a basic review of a piece of artwork with support.

## Vocabulary

- Monet
- Colours, shapes and features
- Justify likes, dislikes and preferences

## Monet

- PowerPoints
  - Claude Monet
- Worksheets
  - Question sheet to be used with PowerPoint
  - Claude Monet fact sheet to be used with PowerPoint
- Games
  - Matching facts with images

## Colours, shapes and features

- PowerPoints
  - Colours and art
  - Shapes and art
  - Features and art
- Listening (with differentiated answer sheets)
  - This picture is very... - recording
  - This picture is very... - transcript
  - This picture is very... - write the answer in English
  - This picture is very... - multiple choice
  - This picture is very... - colour the circle the colour you hear
  - The flowers are... - recording

- The flowers are... - transcript
- The flowers are... - write the answer in English
- The flowers are... - multiple choice
- The flowers are... - colour the circle the colour you hear
- Worksheets
  - Colours - matching
  - Shapes - matching
  - Features - matching
  - Les fleurs sont... - colour the flowers the correct colour
  - C'est plein de... display idea
    - fleurs 1
    - fleurs 2
    - fleurs 3
    - arbres 1
    - arbres 2
    - arbres 3
    - montagnes
    - bateaux 1
    - bateaux 2
    - formes différentes 1
    - formes différentes 2
    - formes différentes 3
    - couleurs 1
    - couleurs 2
    - couleurs 3
  - Colour agreements - circle the correct colour
- Games
  - Pairs - shapes - image and vocabulary (print 2 copies)
  - Pairs - shapes - image only (print 2 copies)
  - Pairs - shapes - vocabulary only (print 2 copies)
  - Matching descriptions with images (from Colours and art ppt)
  - Matching descriptions with images (from Shapes and art ppt)
  - Matching descriptions with images (from Features and art ppt)

**Justify likes, dislikes and preferences to write a review**

- PowerPoints
  - Likes, dislikes and preferences for a review (this contains a number of basic reading texts based on language from previous PowerPoints in this unit).

### **Write a basic review**

- Writing frame
- English translation of writing frame
- Review template - blank

# Shopping for Food

**By the end of this unit, pupils will be able to...**

1. Name shops that sell food.
2. Say "some" in French.
3. Understand more forms of packaging and quantities.
4. Understand a more complicated menu.
5. Give information about French speciality dishes.

## Vocabulary

- Shops that sell food
- Some
- Packaging and quantities with three example dialogues
- French menus
- French restaurant role play
- Food for children's menu
- French speciality dishes

## Food Shops

- PowerPoints
  - Shops that sell food
- Listening
  - Number the shops in the order you hear them - recording (3 each time)
  - Number the shops in the order you hear them - answer sheet
  - Number the shops in the order you hear them - answer sheet (fewer choices)
- Flashcards
  - Shops that sell food
- Worksheets
  - Where do you buy these foods? - Write the shop
  - Where do you buy these foods? - Multiple choice
- ICT
  - Kahoot! - Where do you buy these foods?
  - Any of the P2-P4 Healthy Eating Rey le Robot PowerPoints can be used - instead of the food / drink the pupils have to say the shop they would buy the item in.

## Some

- PowerPoints
  - Some
  - Introducing some new foods
- Listening
  - Circle the word for "some" you hear - recording
  - Circle the word for some - answer sheet
- Worksheets
  - Some - du, de la, des, de l' (write the correct word)
  - Some - du, de la, des, de l' (write the correct word and put into English)
- Games
  - Large matching cards - shops with foods (photos) - can also be used with P2-P4 food and drink pair cards.
- ICT
  - Any of the P2-P4 Healthy Eating Rey le Robot PowerPoints can be used for pupils to practise "some + food / drink".

## Packaging and Quantities

- PowerPoints
  - Packaging and quantities with three example dialogues
- Listening
  - Listen for the packaging (differentiated answer sheets)
    - Listening for the packaging - recording
    - Write what you hear in English
    - Just write the packaging
    - Circle the packaging and item
    - Just circle the packaging
  - Listen for the quantities (differentiated answer sheets)
    - Listen for the quantities - recording
    - Complete the label and circle the food
    - Circle the correct label and the food
- Worksheets
  - Label the packaging
  - Label the packaging without support on sheet
  - Label the packaging - multiple choice
  - Label the packaging - multiple choice without support on sheet

## French Menus

- PowerPoints
  - French menus explained

- French restaurant role play
- Food for children's menu

### **French Speciality Dishes**

- PowerPoints
  - French speciality dishes
- Differentiated English information sheets to create posters about French speciality dishes
  - Information in simple bullet points
    - Onion soup
    - Pate
    - Frogs legs
    - Snails
    - Coq au vin
    - Duck confit
    - Nicoise salad
    - Ratatouille
    - Bouillabaisse
    - Tarte tatin
    - Pancakes
    - Creme brulee
    - Creme caramel
  - Information in longer bullet points
    - Onion soup
    - Pate
    - Frogs legs
    - Snails
    - Coq au vin
    - Duck confit
    - Nicoise salad
    - Ratatouille
    - Bouillabaisse
    - Tarte tatin
    - Pancakes
    - Creme brulee
    - Creme caramel
  - Information in paragraphs
    - Onion soup
    - Pate
    - Frogs legs
    - Snails

- Coq au vin
- Duck confit
- Nicoise salad
- Ratatouille
- Bouillabaisse
- Tarte tatin
- Pancakes
- Creme brulee
- Creme caramel

### **Extra**

- Children's style menu to be used in a role play
- Children's style menu - without images
- Menu with French speciality dishes to be used in a roleplay
- Ice creams
  - Vocabulary
  - PowerPoint (for pronunciation)
  - Worksheets
    - Colour and label the ice cream 1
    - Colour and label the ice cream 2
    - Design, colour and label your own ice cream 1
    - Design, colour and label your own ice cream 2

# The Solar System

**By the end of this unit, pupils will be able to...**

1. Name the planets in French.
2. Understand key facts about the planets.
3. Describe the planets using basic sentences.

## Vocabulary

- The planets
- Key facts
- Descriptions

## The Planets

- PowerPoints
  - The Planets
- Flashcards
  - The planets, sun and moon
- Worksheets
  - The Planets - to be completed in English with the PowerPoint
  - The Planets - to be completed in French with the PowerPoint
  - The Planets - word search
  - The Planets - same word search but with matching
  - Colour/Paint the planets - name only (10 pages)
  - Colour/Paint the planets - name and faint outline (10 pages)
- Games
  - Pairs - planets - image and vocabulary (print 2 copies)
  - Pairs - planets - image only (print 2 copies)
  - Pairs - planets - vocabulary only (print 2 copies)
  - Tarsia - planets
- ICT
  - QR Codes - How many moons does each planet have?
  - Kahoot - Which planet is it?
  - Kahoot - How many moons does each planet have?

## Key Facts

- PowerPoints

- Key Facts
- Worksheets - the worksheets below could be used as A4 information posters or copied and shrunk to create little booklets with all the key facts.
  - Key Facts - to be completed in English with the PowerPoint or information cards below
  - Key Facts - to be completed in French with the PowerPoint or information cards below
  - Key Facts - to be completed in English with the PowerPoint or information cards below (with Saturn's rings)
  - Key Facts - to be completed in French with the PowerPoint or information cards below (with Saturn's rings)
- Games
  - Information cards - Key Facts
  - The above cards can be used to put the planets in different orders (e.g. distance from the sun, hottest to coolest, smallest to largest, day and year length etc.)
  - Spinners - print on card
- ICT
  - QR Codes - What is the temperature on...?
  - Kahoot - How long is a day on...? (Information cards might be needed to support this.)

### **Descriptions**

- PowerPoints
  - Descriptions
- Worksheets
  - Highlight the nouns, verbs and adjectives
  - Highlight the nouns, verbs and adjectives and translate into English
- Games
  - Sentence builder cards

### **Extra**

- Where do the French days of the week get their names?
- My favourite planet is... writing sheet

# Healthy Eating

**By the end of this unit, pupils will be able to...**

1. Talk about their favourite meal.
2. Describe food.
3. Discuss other ways to stay healthy.

## Vocabulary

- Favourite meal
- Describe food
- Other ways to stay healthy

## Favourite Meal

- PowerPoints
  - Favourite meal with four short reading activities
- Flashcards
  - 16 possible favourite foods
- Display - as above but with vocabulary
  - 16 possible favourite foods
- Listening
  - Circle the favourite foods and the reasons why - recording
  - Circle the favourite foods and the reasons why - answer sheet
  - Circle the favourite foods and the reasons why - answer sheet (fewer choices)
- Worksheets
  - Quel est ton plat préféré? readings from PowerPoint (write key details)
  - Quel est ton plat préféré? readings from PowerPoint (translate into English)
  - Spelling hexagons - reasons why
- Games
  - Favourite meal sentence builder cards
  - Pairs - favourite meal - image and vocabulary (print 2 copies)
  - Pairs - favourite meal - image only (print 2 copies)
  - Pairs - favourite meal - vocabulary only (print 2 copies)
  - Spinners - print on card
- ICT

- ICT
  - Kahoot - Places in a school

## School Uniform

- PowerPoints
  - School uniform

- Kim's game
- Flashcards
  - School uniform
- Display
  - School uniform
- Worksheets
  - L'uniforme scolaire - je
  - L'uniforme scolaire - nous
  - Colour the clothing
- Games
  - Uniform sentence builder cards
  - Pairs - uniform - image and vocabulary (print 2 copies)
  - Pairs - uniform - image only (print 2 copies)
  - Pairs - uniform - vocabulary only (print 2 copies)
  - Pairs - colours (masc./fem./sing./pl.) - image and vocabulary (print 2 copies)
  - Pairs - colours (masc./fem./sing./pl.) - image only (print 2 copies)
  - Pairs - colours (masc./fem./sing./pl.) - vocabulary only (print 2 copies)
  - Spinners - print on card
  - Dice game - uniform
- ICT
  - Kahoot - School uniform

### **Telling the Time**

- PowerPoints
  - Telling the time
  - Kim's game
- Flashcards
  - Time
- Display
  - Time
- Listening
  - Write / draw the time recording A
    - Differentiated answer sheets:
      - Answer on a clock face
      - Circle the correct time (answers on second sheet)
      - Write the time you hear
  - Write / draw the time recording B
    - Differentiated answer sheets:
      - Answer on a clock face
      - Circle the correct time (answers on second sheet)

- Write the time you hear
- Worksheets
  - Write the time - in order
  - Write the time - out of order
  - Match the time to the clocks A
  - Match the time to the clocks B
  - Draw the time
- Games
  - Time sentence builder cards
  - Pairs - time - image and vocabulary (print 2 copies)
  - Pairs - time - image only (print 2 copies)
  - Pairs - time - vocabulary only (print 2 copies)
  - Spinners - print on card
  - Dice game - time
- ICT
  - Kahoot - Telling the time

### **School Subjects**

- PowerPoint
  - School subjects
  - Kim's game
  - Which subject is the penguin ready for?
- Flashcards
  - Time
- Display
  - Time
- Worksheets
  - Subjects - matching
  - Circle the subjects
  - Subjects - write in English
- Games
  - Subjects sentence builder cards
  - Pairs - subjects - image and vocabulary (print 2 copies)
  - Pairs - subjects - image only (print 2 copies)
  - Pairs - subjects - vocabulary only (print 2 copies)
  - Spinners - print on card
  - Dice game - subjects
- ICT
  - Kahoot - School subjects

## **Extra**

- Mon école writing sheet
- Mon école writing sheet - to colour

## Moving to Secondary School

This unit is a little different as it supplements "Our School" rather being a stand alone unit.

The unit is designed to give pupils the opportunity to use a bilingual dictionary or a modern language app such as WordReference.

### **Pupils will:**

1. Add more description to clothes.
2. Tell the time in a little more detail (nearest half hour).
3. Revise opinions for school subjects and add reasons why.
4. Learn some additional school subjects.

### **Vocabulary**

- Describe clothes
- Tell the time (half hour)
- New subjects, opinions and reasons why

### **Describe Clothes**

- PowerPoint
  - Describe clothes (with dictionary activities)
- Flashcards
  - New clothes
  - Patterns
- Display
  - New clothes
  - Patterns
- Worksheets
  - Colour in the clothing (pattern only)
  - Colour in the clothing (colour and pattern)
  - Colour in the clothing (full sentences)
- Games
  - Sentence builders - new clothes
  - Sentence builders - patterns
  - Sentence builders - uniform descriptions
  - Pairs - new clothes - image and vocab (print 2 copies)

- Pairs - new clothes - image only (print 2 copies)
- Pairs - new clothes - image only (print 2 copies)
- Pairs - patterns - image and vocab (print 2 copies)
- Pairs - patterns - image only (print 2 copies)
- Pairs - patterns - vocab only (print 2 copies)
- ICT
  - Kahoot - patterns

### **Tell the Time**

- PowerPoint
  - Tell the time (half past)
- Flashcards
  - Time - half past
- Display
  - Time - half past
  - Time - thirty
- Worksheets
  - Draw the time - half past
  - Draw the time - thirty
  - Write the time (in order)
  - Write the time (out of order)
- Games
  - Sentence builders - time (half past)
  - Pairs - half past - image and vocab (print 2 copies)
  - Pairs - half past / thirty - image only (print 2 copies)
  - Pairs - half past - vocab only (print 2 copies)
  - Pairs - thirty - image and vocab (print 2 copies)
  - Pairs - thirty - vocab only (print 2 copies)
  - Spinner - half past (print on card)
  - Spinner - thirty (print on card)
  - Dice game - half past
- ICT
  - Kahoot - time - half past
  - Kahoot - time - thirty

### **Opinions and Reasons Why**

- PowerPoints
  - New subjects
  - Opinions

- Flashcards
  - New subjects
- Display
  - New subjects
- Worksheets
  - New subjects - matching

  - Pairs - protecting the environment - image only (print 2 copies)
  - Pairs - protecting the environment - vocab only (print 2 copies)
- ICT
  - Kahoot - Protecting the environment

### **Extra**

- Longer list of environmental issues - text provided
- Longer list of environmental issues - text not provided
- Environmental issues booklet - text provided
- Environmental issues booklet - text not provided

# Environment and Endangered Species

**By the end of this unit, pupils will be able to...**

1. Name endangered species.
2. Describe one of the endangered species.
3. Inform others about endangered species.

## Vocabulary

- Endangered species
- Endangered species - descriptions
- Information cards (with ways they can be used in a game)

## Endangered Species

- PowerPoints
  - Endangered species
    - Vocabulary matching cards to use before the PowerPoint and / or flashcards.
- Flashcards
  - Endangered species
- Display
  - Endangered species
- Worksheets
  - Identify the animals (shadows)
  - Endangered species anagrams (can also match to shadows)
  - Endangered species word search
- Games
  - Pairs - endangered species - image and vocabulary (print 2 copies)
  - Pairs - endangered species - image only (print 2 copies)
  - Pairs - endangered species - vocabulary only (print 2 copies)
  - Pairs - endangered species - shadows
  - Tarsia - endangered species
  - Spinners - print on card
- ICT
  - Kahoot - endangered species

## Descriptions

- PowerPoints

- Introduction to questions and answers
- Asian elephant
- Bengal tiger
- Black rhino
- Blue whale
- Cockatoo
- Giant panda
- Gorilla
- Great white shark
- Komodo dragon
- Polar bear
- Worksheets
  - Endangered species information - use with above PowerPoints or Information cards - complete in English
  - Individual information sheets with map - complete in English:
    - Asian elephant
    - Bengal tiger
    - Black rhino
    - Blue whale
    - Cockatoo
    - Giant panda
    - Gorilla
    - Great white shark
    - Komodo dragon
    - Polar bear
  - Individual information sheets with map - complete in French:
    - Asian elephant
    - Bengal tiger
    - Black rhino
    - Blue whale
    - Cockatoo
    - Giant panda
    - Gorilla
    - Great white shark
    - Komodo dragon
    - Polar bear
- Games
  - Information cards - endangered species
